

The Leighton Education Project

Courses for Young People with Learning Disabilities

The Leighton Education Project offers courses for young people aged 16 to 25 who have learning difficulties

We support young people to grow and become adults

Our classes are small groups of students

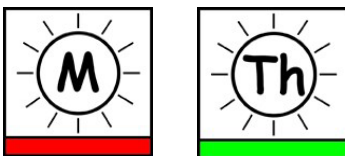

This means that we can support our students to make their own choices about what they want to do

We offer a 2 year course in Personal Development

Or a 1 year course in Skills for Employment

Students come to the Leighton Project from Mondays to Thursdays

From 9.30am to 3.30pm
